Dear Mr. Sciannameo:

MTA Bridges and Tunnels President James Ferrara asked me to respond to your letter regarding the Hugh L. Carey Tunnel.

In reply to your follow-up correspondence about motorcycles approaching the tunnel's West tube from the Brooklyn-Queens/Gowanus Expressway Bus/HOV lane, as previously stated, since mid-June, Manhattan-bound motorcycles originating from the Gowanus Bus/HOV have been proceeding through the West tube. We have since shared this information with our NYPD Highway Patrol colleagues.

I hope this information has been helpful.

Sincerely,

A handwritten signature in black ink, appearing to read "Pat Parisi".
